To Whom It May Concern, While this report is true and complete to the best of my ability, we are aware that the disclosure indicates some illegal contribution activity as well as some unauthorized expenditures. We are self-reporting all known violations, but the previous Treasurer has not handed over any financial statements. The information herein is largely based on a spreadsheet provided by his wife, who also accessed our funds after his resignation. We have reason to believe we are under-reporting expenditures. We know that co-mingling personal funds resulted in excess contributions, a fictitious depository was listed, payments to vendors were made via cryptocurrency, Additionally, donations were made to, but not received by, the campaign. Unauthorized expenditures were made to the treasurer's wife. We are aware there are serious violations in the report, and anticipate that an amendment will be required in the future. UPDATE 10/29/2018 : Bitcoin donation entries amended to comply with request, but please note these records are not available to the campaign as per the above previously filed notations, and as such, data was estimated via internet public pricing history records.
